

KOLTEN EDWARD

Software Engineer

SUMMARY

Creative, detail-oriented, software engineer with a deep interest in cloud architecture. Proven track record of creating and implementing successful front and back end web applications. Looking to bring my skills to a tech company with global reach.

WORK EXPERIENCE

Software Engineer at 100devs | Los Angeles, CA (Remote)

April 2022 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured full stack web applications
- Contributed to team efforts in HTML, CSS, and Javascript

Recent Projects:

Four Rivers Country Club Weather App (Business Mobile App)

- Implemented Javascript ES6 Promise to handle multiple API calls including geolocation and weather data
- Redesign API default response images to use custom weather-generated images
- Engineered forecast horizontal scroller with CSS grid and AJAX

Gentlemen's Barbershop (Business Landing Page) –

- Built and maintained Bootstrap framework modern landing page representing an upscale barbershop in Denver
- Embedded Google Maps API and parallax for a stunning effect
- Utilized Bootstrap framework for clean style

Koltenedward.com (Developer Portfolio) –

- Deployed AWS services for hosting in addition to handling domain registration
- Reduced load time from 6 to 4 seconds by optimizing gifs
- Upgraded to lazy loading javascript reducing load time to 2 seconds

Other Projects: Superior StarGazers Society APOD Web App with NASA API integration, On-demand background color changer for Partnered Twitch streamer, and many more

Full Stack Web Developer at Kolten Edward Consulting | Denver, CO

Jan 2022 — Present

- Created full stack web applications and static websites for different clients across small and medium size businesses
- Consulted on SEO and social media strategy

Supervisor at Costco Wholesale | Denver, CO

October 2017 — October 2022

- Rebuilt application for keeping track of employee breaks for better visual cues by color coordinating. Responsible for helping others with spreadsheet issues
